“Kos Noori is a very good negotiator and has saved the company thousands of dollars due to his extraordinary skills.

It's beyond my imagination, the amount of money Kos has saved our company!”

*(Reduced operating expenses by over 62% within first year.)*

~ Dave Sejal/CEO &  
Douglas Periora/CFO  
Clothestime

## What is APN?

**APN is an integrated purchasing solution** that brings wholesale prices to your business. We give you the purchasing power of a giant corporation to deliver huge savings that go straight to your bottom line.

**APN saves time and saves money. Guaranteed.** At no cost to you, we will review your current purchasing requirements and prove that we can create significant savings to your bottom line.

**APN provides a centralized purchasing system** that delivers what you want, when you need it, with savings across a wide range of products and services.

**APN is totally risk free.** APN's only compensation is a share of the savings.

## Key Features of APN

- Collaborative purchasing – we work together to get you what you want.
- Same or similar products and services – you choose.
- Centralized ordering and improved efficiency.
- Personalized service. APN is there to help fulfill your needs and meet your deadlines.
- Specialized negotiation – APN has considerable experience in product and service negotiation, and can help you save money in areas outside of your specialty.
- No long-term contracts or commitments. No hidden fees.

## What products and services can APN supply?

- **Office Supplies & Equipment** – Everything from paper clips to computers, printers, copiers, and furniture
- **Promotional Items** – Hats, t-shirts, bags, advertising materials, corporate gift buying
- **Telecommunications** – Phone systems, equipment and service, T-1 lines, cell phones
- **Data Management** – Data mining, networking, storage, document management
- **Outsourced Billing** – Complete off-site billing services
- **Information Technology** – Hardware and software
- **A/V Equipment & Supplies** – Tape stock and equipment, projectors, easels
- **Production Supplies** – Grip equipment, walkie-talkies, bull horns
- **Construction Materials** – Plumbing, electrical, HVAC supplies, lumber, alarm systems, roofing materials, paint
- **Delivery & Distribution** – Mailroom and shipping supplies, distribution systems, freight, overnight shipping
- **Store Build-out** – Wall systems, cash wrap, carpet, back room, signage, store supplies, pest control, equipment maintenance, etc.

*And much, much more.*

## What is the cost of using APN?

**APN works on contingency, retaining a percentage of your cost savings.** APN is a risk-free, win/win purchasing solution for your company.
